Challenges

eCert

- Users are not SUBMITTING their applications and assuming they are successfully registered which is incorrect:
  - We send an email when an application is submitted
  - A reminder email will be sent to all users who have an application sitting in DRAFT a week before the closing date.
  - A list of all the registrations in DRAFT status will be sent to associations to follow up
- Applications were unlocked, for changes, and not resubmitted before the closing date
- PHC's must **submit** their registration before its available for a PUC to select
